AMEC'S GUIDE TO BANGKOK

AMEC asked colleagues who have lived and worked in Bangkok – or who visit it regularly – to share their favourite dining and tourist tips for delegates to visit during their stay. A selection of places well worth a look can be found in AMEC's Guide to Bangkok for Global Summit delegates.

The Global Summit has been deliberately scheduled to enable delegates to explore Bangkok and try out some different venues for drinks and dinner on Tuesday 16th May after the Welcome Drinks and on Thursday 18th May at the end of the Summit complimentary drinks reception at the close of the Summit.

Read through the guide to find a list of venues, from street markets to sophisticated 5* exquisite rooftop dining experiences and tours along the famous Chao Phraya River which runs through Bangkok.

We hope you find this useful to plan your trip and look forward to welcoming you.
